## How to book a BUMBLEance

# ABOUT US

BUMBLEance, was launched in 2013. It was born out of heartbreak, and was created to reduce anxiety and trauma for children.

In 2022 BUMBLEance recategorised the charity to be more inclusive. BUMBLEance is now a community service and resource, meaning if a child has any illness, we are open to taking that child to their care appointment.

This means for parents struggling to make appointments because of transport issues, costs or work; they can rely on BUMBLEance to take their child there.

## WE PROVIDE THIS TRANSPORTATION

- In a fun and safe environment.
- Where children can just be children.
- Where Parents/guardians can bring their child to hospital, respite and treatment centers stress and cost free.
